**SECOND SCHEDULE**

*regulation 4(3)*

MINISTRY OF AGRICULTURE, FISHERIES AND  
NATURAL RESOURCES (FORESTRY SERVICE)

Licence issued under the Wood Exploitation Licence Regulations 1992 made under  
section 17 of the Forests and Reserves Act 1983.

Identity Card No. ....

Receipt No. ....

Cash Book No. ....

Mr ..... of .....  
is hereby authorized to fell and extract timber, poles and firewood from state forest  
lands and other state lands within the boundaries of the .....  
Division of the Forestry Service.

This licence is valid until ..... and shall not be transferable.

## CONDITIONS

1. Before carrying out any exploitation work in the forest the licensee shall first obtain a cutting permit from the Conservator of Forests for every offer of wood.
2. The licensee or his representative shall abide strictly with the conditions imposed in the cutting permit regarding the procedures for felling, payment and removal of forest produce from the state lands.
3. The volume and type of forest produce to be exploited by the licensee will be at the discretion of the Conservator of Forests.
4. Payment for forest produce exploited will be in accordance with selling procedures and prices in force at the Forestry Service.
5. The prices in force may be revised from time to time at the Ministry's discretion.
